

# Seafood

Retail seafood prices have been on the rise during the last few months and have mostly tracked above the previous year levels. This compares to other proteins, including beef, where retail prices have mostly averaged at levels not seen for this time of the year in a few years. If this trend continues it could temper seafood demand and wholesale prices.

Product Description	Market Trend	Supplies	Price vs. Last Year
Shrimp (16/20 frz)	Decreasing	Good	Lower
Shrimp (61/70 frz)	Steady	Good	Higher
Shrimp Tiger (26/30 frz)	Increasing	Good	Higher
