Oils and Grains - Trade issues continue to weigh heavy on the soybean complex. China has threatened tariffs on U.S. soybeans for the last several months. This country typically accounts for half of U.S. soybean exports and 25% of the U.S. crop. The tariffs could keep a lid on the soybean complex during the summer.

Product Description	Market Trend	Supplies	Price vs. Last Year
Soybeans, bushel	Decreasing	Good	Lower
Crude Soybean Oil, lb	Increasing	Good	Lower
