**Oils and Grains** - The feed markets have continued to trade well off their highs made earlier this summer. A well followed farmer group, ProFarmer, conducted their field surveys last week, and the news was generally close to the existing USDA estimates which point toward sufficient to ample supplies. But, there is still volatility risk for grain prices.

Product Description	Market Trend	Supplies	Price vs. Last Year
Soybeans, bushel	Decreasing	Good	Higher
Crude Soybean Oil, lb	Decreasing	Good	Lower
